DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Joyce Gevirtzman contacted the examiner of record about a communication that was received by her office noting that the power of attorney has been revoked. Joyce faxed the examiner a copy of the communication. The communication is not in the file of record. The examiner notified Joyce that PALM indicates that her firm is the attorney/agent of record as of 2/1/05 and the communication should be disregarded. In addition, the examiner explained that since people at her firm are able to access the application through PAIR, then her firm still has power of attorney.
